The Snails were formed in 2005 in Athens Greece.

After several line up changes the band are:

Christos Furlanis:lead vocals & rhythm guitar

Lambros Karkanopoulos:lead guitar & backing vocals

George Chloros:drums

Stavros Georgakopoulos:bass

(Kostas Melitis: nothing but support)

They have played live with a lot of local bands. Some of their highlighted live appearances, where they had the honor to play with, were:

-The 5th Tripolis Rock Festival, where they played with Vibravoid and Drug Free Youth (2008).

-The 4th Athenaeum Cave, where they played with The Jaybirds (2008).

-At the Rodeo Club in Athens, where they played, together with The Mogrellettes, with The Magnificent Brotherhood (2010).

-Greece Gone Garage where they played with Frantic V and Yesterday's Thoughts, at An Club in Athens (2010)

-At Kytaro club, where they played with Baby Woodrose (2012)

In 2007 they participate with 2 songs in a cd compilation entitled 'Peace Frog Rides The Rocket' that came along with Peace Frog / Πύραυλος fanzine

Their first single 'Heartbreaker' was released in limited vinyl copies in June of 2009 by Action Records

In May of 2012 their first album was released on cd by Action Records.

In June of 2013 they played in an underground greek film called 'Who is Telis Stefanis'

In July of 2014 their first album was released on vinyl by the Swedish label 'Beluga Music'.

In October of 2016 their second album entitled Dr. Acid was digitally released.

In December of 2017 Dr. Acid was released in vinyl format by Anazitisi Records
